

Events McMillan Woods Global Awards 2017

Friday, 24 March 2017 @ New Grand Ballroom, Shangri-La Hotel, Kuala Lumpur, Malaysia

McMillan Woods Global is proud to announce the forthcoming McMillan Woods Global Awards 2017 and the awards ceremony will be held on Friday, 24th March 2017 in the world highest twin tower in Malaysia.

• Success • Determined • Assured • Responsible

These are just a fraction of the admirable qualities that a McMillan Woods Global Award Recipient embodies. A Recipient becomes part of a special collective group of individuals who are forever bound by the ideals of responsible, sustainable and successful enterprise.

The annual installation of the McMillan Woods Global Awards 2017 is the success of the past years' awards and its primary aim is to highlight and recognise the achievement of the crème de la crème global leading business visionaries across all industry sectors and to honour their great contributions towards the global economic development. This global award ceremony is aimed not only to recognise their achievement and success but to further encourage their determination to stay competitive and to overcome the many challenges globally.

The global awards presentation would also create a solid platform for business networking opportunities among the successful entrepreneurs. These initiatives will serve as a catalyst for the emergence of new business potentials and to spur the global industrial growth despite the current global economic slowdown.

The main objectives of the global award presentation are principally as follows:

- As a mark of recognition towards the achievement attained by the business;
- As a mark of honour and encouragement to the entrepreneurs and business;
- Development of new business and upgrading of existing business; and
- As a catalyst of growth for global economic driver.
